## **3MP5-14 Inverse B-J models for determining current distributions in magnetised bulk superconductors**

*Wednesday 20 September 2017 13:42 (1 minute)*

**Author:** PEREZ, Fernando (Bulk Superconductivity Group, Department of Engineering, University of Cambridge)

**Presenter:** PEREZ, Fernando (Bulk Superconductivity Group, Department of Engineering, University of Cambridge)

**Session Classification:** Poster : 3MP5 - Magnetization and Trapped Field + AC Losses 2/2
