4LP3-07 Conduction Cooled HTS Dipolar Magnet, Realization and Experimental Results

Thursday 21 September 2017 10:18 (1 minute)

Author: ENACHE, Dan (National Institute for Research and Development in Electrical Engineering, ICPE-CA)

Presenter: ENACHE, Dan (National Institute for Research and Development in Electrical Engineering, ICPE-CA)

Session Classification: Poster : 4LP3 - Design , manufacture & test of HTS systems
