4MP5-08 Enhancement of superconducting properties for low-temperature LPE-REBa₂Cu₃O_y films via phase decomposition process in various RE elements

Thursday 21 September 2017 10:21 (1 minute)

Author: FUNAKI, Shuhei (Shimane University)

Presenter: FUNAKI, Shuhei (Shimane University)

Session Classification: Poster : 4MP5 - Cuprate Thin Films 2/2
