

Contribution ID: 911

Type: not specified

4MP7-17 Interfacial shearing stress induced by flux pinning in a superconducting coated conductor long strip with transport current in a perpendicular magnetic field

Thursday 21 September 2017 10:30 (1 minute)

Author: YANG , Yumei (Lanzhou university of technology)

Presenter: YANG , Yumei (Lanzhou university of technology)

Session Classification: Poster : 4MP7 - Coated Conductors 2/2
