

Galileo Galilei Institute Workshop: "Collider Physics and the Cosmos"

Monday, 11 September 2017

The Higgs Sector beyond Electro-weak Symmetry Breaking (10:00 - 18:00)

time	[id] title	presenter
15:00	[18] Status of the Higgs Sector	DJOUADI, Abdelhak
16:00	[36] Discussion Session	

Tuesday, 12 September 2017

The Higgs Sector beyond Electro-weak Symmetry Breaking (09:00 - 18:00)

time	[id] title	presenter
11:00	[34] Extended Higgs Sectors	HABER, Howard
15:10	[37] Extended Higgs Sectors	KALINOWSKI, Jan Henryk
16:00	[38] Extended Higgs Sector and DM	GOUDELIS, Andreas
16:30	[53] Flavour Physics	MAHMOUDI, Nazila
16:45	[35] Discussion Session	

Wednesday, 13 September 2017

The Higgs Sector beyond Electro-weak Symmetry Breaking (09:00 - 18:00)

time	[id] title	presenter
11:00	[31] Naturalness	BENAKLI, Karim
15:00	[51] Discussion on SUSY & nonSUSY Scenarios for new Topologies at LHC	
16:00	[32] Naturalness	SHIRAI, Satoshi
16:30	[33] Discussion Session	

Thursday, 14 September 2017

The Higgs Sector beyond Electro-weak Symmetry Breaking (09:00 - 18:00)

time	[id] title	presenter
11:00	[30] Scalar fields in cosmology	KUSENKO, Alexander
15:15	[39] Cosmological Constant	PADILLA, Antonio
16:00	[40] Classical Scale Invariance, Symmetry Breaking and Inflation	MARZOLA, Luca
16:30	[41] Discussion Session	

Friday, 15 September 2017

The Higgs Sector beyond Electro-weak Symmetry Breaking (09:00 - 18:00)

time	[id] title	presenter
10:00	[16] Round Table Summary Session	
11:30	[17] Refreshments and Light Lunch
