

Galileo Galilei Institute Conference: Collider Physics and the Cosmos

Wednesday 11 October 2017

Colliders and the Early Universe - Aula A (09:15 - 12:00)

-Conveners: Christopher T. Hill

time	[id] title	presenter
09:15	[1] Workshop Report "Colliders Physics and the Early Universe"	COVI, Laura
10:10	[2] Recent ALICE results and future perspectives for the role of heavy ion collisions in the understanding of the early universe	MISCHKE, Andre
11:05	[3] Leptogenesis and colliders	DREWES, Marco
