

# Workshop on High Energy Physics Phenomenology XV

## Sunday, 17 December 2017

**Parallel Session: WG1 (16:30 - 18:00)**

**Parallel Session: WG2: Prospects of various new physics models in light of recent anomalies in B-sector (II) (16:30 - 18:00)**

**Parallel Session: WG3: Mass models and experimental constraints (WITH WG5 and WG1) (16:30 - 18:00)**

time	[id] title	presenter
16:30	[77] Overview - Experimental constraints on Neutrino Mass Models	Dr DEV, Bhupal

**Parallel Session: WG4 (16:30 - 18:00)**

**Parallel Session: WG5 : Neutrino Mass Models (with WG 3) and Dark Radiation (16:30 - 18:20)**

time	[id] title	presenter
16:30	[105] Overview of Neutrino Mass Models : Experimental constraints	DEV, Bhupal
