Your
feedback is
appreciated

1. Which challenges do you see?
(technical, team, technological, timeline, ..)
2. Which USPs are the most 3
valueable to you?
(if none or less than 3 – this is totally fine)
3. How do you rate our product?
(being honest is helping us succeed – thank
you!)

If you want to stay in touch - Follow us

#scu

Thank you!
