

Contribution ID: 200

Type: **Oral presentation**

Hamiltonian approach to finite temperature QCD by compactification of a spatial dimension

Thursday 5 July 2018 11:00 (30 minutes)

Primary author: Prof. REINHARDT, Hugo (Tuebingen University)

Presenter: Prof. REINHARDT, Hugo (Tuebingen University)

Session Classification: Special session on QCD

Track Classification: Special session on QCD - from vacuum to finite temperatures
