Highlights from LHCb

Friday, 6 July 2018 08:30 (30 minutes)

This corresponds to one of the talks of the Speakers Bureau of LHCb, but I've been told that I should submit an abstract anyway.

The talks would summarize the latest results and prospects of the LHCb experiment.

Primary authors: LHCb COLLAB.; MARTINEZ SANTOS, Diego (Universidade de Santiago de Compostela (ES))

Presenter: MARTINEZ SANTOS, Diego (Universidade de Santiago de Compostela (ES))
