## Highlights from the Heavy Ion Program of the STAR experiment at RHIC

*Monday, 9 July 2018 12:00 (30 minutes)*

Highlights from the experimental results of the STAR experiment at the Relativistic Heavy Ion Collider at the Brookhaven Laboratory, USA, will be presented.

**Primary authors:** KABANA, Sonja (Centre National de la Recherche Scientifique (FR)); THE STAR COLLABORATION

**Presenter:** KABANA, Sonja (Centre National de la Recherche Scientifique (FR))

**Session Classification:** Mini-workshop on Correlations and Fluctuations in Relativistic Heavy Ion Collisions
