

Contribution ID: 238

Type: **Oral presentation**

Hamiltonian of the electromagnetic and gravitational fields on asymptotically null space-like surfaces

Monday, 9 July 2018 15:30 (30 minutes)

Hamiltonian of the electromagnetic and gravitational fields on asymptotically null space-like surfaces

Primary author: BUNSTER, Claudio (Centro de Estudios Científicos)

Presenter: BUNSTER, Claudio (Centro de Estudios Científicos)

Session Classification: Workshop on Frontiers in Gravitation, Astrophysics, and Cosmology
