## 3D sensors

**Session** | **Location:** CERN, 6/2-024 - BE Auditorium Meyrin, 6-2-024 | **Convener:** Ivan Vila

17:40-18:00

### **A study of 3D Silicon pixel sensors using ROC4sens read-out chip in a DESY test beam**

**Speaker**

Esteban Curras Rivera

18:00-18:20

### **Radiation hardness of 3D pixel sensors up to full HL-LHC fluences**

**Speaker**

Joern Lange

18:20-18:40

### **3D silicon sensors at FBK: first results on the last production**

**Speaker**

Dr Sabina Ronchin
