

Critical point of nuclear matter and beam energy dependence of net proton number fluctuations

Wednesday, January 3, 2018 10:15 AM (20 minutes)

Critical point of nuclear matter and beam energy dependence of net proton number fluctuations

Summary

Primary author: GORENSTEIN, Mark (Bogolyubov Institute for Theoretical Physics)

Presenter: GORENSTEIN, Mark (Bogolyubov Institute for Theoretical Physics)

Session Classification: Wednesday AM

Track Classification: Heavy Ion physics
