Propose a lightning talk

... for example:

I discovered this cool technology - anyone else using it?

I solved a common problem in an unusual way

I did ... and it didn't work – don't repeat my mistake

Which platform or language would you chose to...

There is a new online service – very useful!

Look what I developed at home, just for fun!

I think CERN could... / IT Department should...

I have this idea for a project, what do others think?

I've heard about this new trend in computing...

Here's a question I've been always asking myself

I predict than in 10 years everybody will...
