Getting the credits for this school

You can obtain 3 Credits from this school

In order to obtain the credits you need to write a short essay (~10pages) on a topic related to the lectures given at the school.

The essay must be finished within two weeks from the end of the school

The essay will be graded from the school committee and the 3credits can be registered as a normal exam.

A list of topics will be proposed to the interested students in the next days.

Students interested to obtain the credits please send a mail to:
pisa-future-colliders-school@cern.ch

One request to you all to make the
school a success ...

One request to you all to make the
school a success ...

We know it's hard but
ask questions !!
