An example of exhibition space showing dividing walls

Where are New Orleans and Baton Rouge?

New Orleans on the Mississippi river

Baton Rouge is 1 hour from New Orleans

Facts and figures about Louisiana State University

An aerial photograph of the Louisiana State University campus in Baton Rouge, Louisiana. The image shows a large green lawn in the foreground with a circular paved area and a fountain. Numerous buildings with red-tiled roofs and modern structures are scattered across the campus. A large white dome stadium is visible on the right side. The background shows more campus buildings and green fields under a clear sky.

Founded in 1853 in Baton Rouge
9 Senior Colleges, 4 Schools, Several Centers,
Institutes
30,000 students, (1600 International)
5000 Graduate students
1200 Full time Faculty and 3,000 Staff
