

**Session Program**

**26-29 Oct 2017**

**Neutrino Platform meeting and visit**  
***Low-radioactivity argon and closing matters***

CERN, 222/R-003

# Friday 27 October

14:00

## Low-radioactivity argon and closing matters

**Session** | **Location:** CERN, 222/R-003 | **Convener:** Francesco Pietropaolo

14:00–14:30 **Project impact**

**Speaker**

Dr Andrea Ianni

14:30–15:00 **Discussion and closing matters**

**Speaker**

Cristiano Galbiati

15:00–15:30 **LAr purification from radon**

**Speaker**

Dr Grzegorz Zuzel

15:30–16:00 **Low-radioactivity argon extraction**

**Speaker**

Augusto Mario Goretti

16:00–16:30 **Low-radioactivity argon transportation and storage**

**Speaker**

Cary Kendziora

16:30
