## Rotary Day at UN in November: *Peace: Making A Difference*

- ❖ Organized for the very first time in Geneva, the city known as the international center for diplomacy and peace
- ❖ Theme – *Peace: Making A Difference*
- ❖ Global event will be the perfect conclusion to this year's [Geneva Peace Week](#)
- ❖ Educate and inspire the large audience on how to actively build peace at the local, regional and global levels
- ❖ More than **1000 participants**
- ❖ Plenary sessions and workshops - elucidate the objectives of the **Sustainable Development Goals (SDGs)**
- ❖ **Special session, organized by young leaders for young leaders**
  - **underline the importance of education in the peace-building process**

## Special workshop for young leaders

# ”Education, science, a pathway to peace”

Barbora: 5 minutes sharp speech without slides

3 messages:

- Links between science and peace (example CERN)
- Youth empowerment through education
- Peacebuilding through education

...followed by the panel discussion

### Questions:

- What could/should each individual do to promote peace?
- What expectations are addressed to civil society organizations, in particular, what could/should Rotary do to promote peace?
- What are the expectations to Governments and international organizations?

### Recommendation to the international community?
