

# Proposal to host the 2018 IPPOG Spring meeting in Pisa

Joint INFN-CNRS-EGO proposal

*Nicolas Arnaud, Catia Peduto*

- **Thursday:** Pisa (INFN or University)
- **Friday:** at the **European Gravitational Observatory (EGO)**,  
the laboratory hosting the **Virgo** detector
  - Transfer by bus Pisa ↔ EGO – about 15 km
  - **Site visit** during the day
- **Saturday morning:** Pisa

# More details

- Being in Pisa on Thursday and Saturday will ease travels
  - Pisa airport close to city center
  - Firenze airport about 1 hour away – by bus, train or car
- At EGO
  - Auditorium + a few smaller rooms available
  - Canteen on site
- Usual Thursday-Saturday slot in April or May
  - After Easter / the end of the Masterclass period
  - Doodle with a few possible slots to be circulated soon if proposal accepted
- Regardless of the decision regarding this proposal, INFN may make a proposal to host the 2019 IPPOG Spring meeting in Roma
  - Not possible this year
  - Proposal to be presented next year at the 2018 Fall meeting

See you soon in Tuscany!?
