Universidad de
los Andes

Colombia

- ▶ Independence established in 1810
- ▶ Population of about 50M
- ▶ Bogota, Medellin, Cali, Cartagena, Barranquilla, Bucaramanga, the largest cities
- ▶ Privileged by geographical location is composed of 5 regions which offer their own and unique characteristics
 - ▶ Caribbean coast
 - ▶ Eastern planes
 - ▶ Amazonian rainforest
 - ▶ Andes mountain
 - ▶ Pacific coast

Science School

- ▶ Biology
- ▶ Statistics
- ▶ Pharmacy
- ▶ Physics
- ▶ Geoscience
- ▶ Mathematics
- ▶ Chemistry
- ▶ National astronomic observatory
- ▶ Natural Sciences Institute

Physics in Collision 2018

- ▶ 38th edition of the PIC symposium
- ▶ 80 participants from 21 nationalities
- ▶ 28 talks, 15 poster presentations
 - ▶ Best poster will be awarded with 300KCOPS
- ▶ Proceedings SLAC-ePub, eCONF C180911

Physics in Collision 2018

- ▶ Guided tour: Friday afternoon, walking visit to La Candelaria historical places, museums and Sanctuary of Monserrate. As this activity is mostly at open-air, there exist some dependence on the weather conditions
- ▶ Social Dinner: Friday night. Restaurante Club Colombia
- ▶ Lunch will be served in the terrace of CyT building
- ▶ Nearest library also located in CyT.

- ▶ For those lodging in Avenida el Dorado (Calle 26) there is a big mall called “Gran Estación”. It is a nice place to find dinner, ATM, money exchange, ...
