

International Workshop on Breakdown Science and High Gradient Technology (HG2018)

Wednesday, June 6, 2018

Project (11:00 AM - 12:40 PM)

-Conveners: Chunguang Jing

| time | [id] title | presenter |
|----------|--|------------------------|
| 11:00 AM | [67] High gradient RF activities of projects at SINAP | FANG, Wencheng |
| 11:25 AM | [57] High-gradient X-band structures for Inverse Compton Source at Tsinghua University | ZHA, Hao |
| 11:50 AM | [49] A High Gradient Solution for Increasing the Energy of the FERMI Linac | SERPICO, Claudio |
| 12:15 PM | [22] High Gradient S-band Electron Linac for ThomX | Dr EL KHALDI , MOHAMED |
