

# International Workshop on Breakdown Science and High Gradient Technology (HG2018)

## Wednesday, June 6, 2018

### High power test (2:00 PM - 3:40 PM)

-Conveners: Flyura Djurabekova

time	[id] title	presenter
2:00 PM	[56] High-gradient performance of X-band choke-mode damped accelerating structure	SHI, Jiaru
2:25 PM	[68] LLRF layout and design for X-band test setup at SINAP	XIAO, Chengcheng
2:50 PM	[55] Development of compact RF pulse compressors and pulse modulation experiments	JIANG, Yuliang
3:15 PM	[54] The test of RF breakdowns of CPHS RFQ and RFQ RF parameters measurement	YE, Wenbo
