

International Workshop on Breakdown Science and High Gradient Technology (HG2018)

Friday, 8 June 2018

Klystron and Power source (09:00 - 10:40)

-Conveners: Jean-Yves Raguin

time	[id] title	presenter
09:00	[26] High efficiency power source development	CAI, Jinchi
09:25	[48] Status of the X-band 50MW klystron at BVERI	CHU, Kairong
09:50	[36] Power source development activities	MCMONAGLE, Gerard
10:15	[23] High-power gyro-klystrons for acceleration applications	Dr ZHANG, Liang
