

## **Session Program**

**4-8 Jun 2018**

# **International Workshop on Breakdown Science and High Gradient Technology (HG2018)**

***Klystron and Power source***

# Friday 8 June

09:00

## Klystron and Power source

**Session** | **Location:** No 239 Zhang Heng Road, Pudong New District, 201203, Shanghai, P. R. China | **Convener:** Dr Jean-Yves Raguin

09:00-09:25

### High efficiency power source development

**Speaker**

Jinchi Cai

09:25-09:50

### Status of the X-band 50MW klystron at BVERI

**Speaker**

Kairong Chu

09:50-10:15

### Power source development activities

**Speaker**

Gerard Mcmonagle

10:15-10:40

### High-power gyro-klystrons for acceleration applications

**Speaker**

Dr Liang Zhang

10:40
