Programme Website

The screenshot shows the 'French Teacher Programme' website. At the top, there is a blue header with the French flag and the title 'French Teacher Programme'. Below the header, the date '21-26 October 2018' and 'CERN Europe/Zurich timezone' are displayed. A search bar is located in the top right corner. On the left side, there is a navigation menu with 'Overview', 'Timetable', and 'Administrative Support' (which is highlighted). Under 'Administrative Support', contact information for Maureen Proia-Tessaur is provided, including an email address and a phone number (+41 22 76 72775). The main content area contains several sections: a paragraph about the program's dates and activities; a call to action to visit a website for more information; a note about the application process; contact information for the 'Teacher Programme Manager' (Jeff Wiener); emergency contact information for the CERN fire brigade; a schedule of events (Starts 21 Oct 2018, 17:00; Ends 26 Oct 2018, 12:30); a location pin for CERN in Europe/Zurich; and a list of staff members (Nicolas Arnaud, Nicolas Couchoud, Jeff Wiener). There is also a link to a 'Brochure du stage'. At the bottom, a grey box provides information about the scientific program and agenda, stating that more details will be available under 'Timetable' and that CERN is looking forward to welcoming participants in Geneva, Switzerland.
