

Intensity Cruise Check List 2017

J. Uythoven, J. Wenninger, D. Wollmann, M. Zerlauth

Proposal for cruise check list 2017

- One check list including all fills after the intensity ramp-up → ~330 fills ... 75% classified by MP experts, to be finished
- Finalizing list ([LHCIntensityCruise2017](#)) with next weeks' physics fills
- Finishing check list by the end of November to document the MPS issues during 2017 physics run
