

Session Program

4-5 Oct 2018

Heavy Quarks through the Looking Glass

Part V

University of Siegen, ENC, D-114
Emmy-Noether Campus (ENC), Walter-Flex-Strasse 3

Friday 5 October

14:00

Part V

Session | **Location:** University of Siegen, ENC, D-114, Emmy-Noether Campus (ENC), Walter-Flex-Strasse 3

14:00-14:30

From low to high energies (or: from Bonn to Siegen) -- the pion transition form factor and the anomalous magnetic moment of the muon

Speaker

Bastian Kubis

14:30-15:00

New Physics in semileptonic $b \rightarrow c$ transitions

Speaker

Martin Jung

15:00-15:30

Flavor Violation in quarks and leptons

Speaker

Alexey Petrov

15:30-15:45

Closing Remarks

16:00
