

# Heavy Quarks through the Looking Glass

## Friday, 5 October 2018

### Part V - D-114 (14:00 - 16:00)

| time  | [id] title  | presenter      |
|-------|---|----------------|
| 14:00 | [38] From low to high energies (or: from Bonn to Siegen) -- the pion transition form factor and the anomalous magnetic moment of the muon | KUBIS, Bastian |
| 14:30 | [39] New Physics in semileptonic $b \rightarrow c$ transitions  | JUNG, Martin   |
| 15:00 | [40] Flavor Violation in quarks and leptons   | PETROV, Alexey |
| 15:30 | [41] Closing Remarks  |                |
