

WLCG Archival Storage group report

Wednesday, May 16, 2018 9:00 AM (20 minutes)

The group has been formed to tackle two main themes

- establish a knowledge-sharing community for those operating archival storage for WLCG
- understand how to monitor usage of archival systems and optimise their exploitation by experiments

I will report on the recent activities of this group.

Desired length

10

Primary authors: KEEBLE, Oliver (CERN); BAHYL, Vladimir (CERN)

Presenter: BAHYL, Vladimir (CERN)

Session Classification: Storage and file systems

Track Classification: Storage & Filesystems
