

Beyond Standard Model: Where do we go from here? -- Johns Hopkins Workshop Series

Monday, 1 October 2018

LHC Run2: LHC Run2 (10:00 - 14:00)

time	[id] title	presenter
10:00	[2] Electroweak symmetry breaking: status of BSM scenarios	KAPLAN, David E.
10:30	[3] Higgs and electroweak sector — experimental status and perspectives	BIANCHINI, Lorenzo
11:00	Coffee	
11:30	[1] Challenging searches at the LHC — results and perspectives	VERDUCCI, Monica
12:00	[4] Precision physics (of electroweak processes) at the LHC	WULZER, Andrea
12:30	[6] Status of BSM (beyond EWBS) at the LHC	BATELL, Brian Thomas
13:00	Lunch
