

Session Program

1-5 Oct 2018

Beyond Standard Model: Where do we go from here? -- Johns Hopkins Workshop Series

Flavor

GGI, Florence

Monday 1 October

14:00

Flavor: Flavor

Session | Location: GGI, Florence

14:00–14:30 **Flavour physics overview**

Speaker
Gaia Lanfranchi

14:30–15:00 **Predicting flavour physics observables in the SM**

Speaker
Sebastian Jaeger

15:00–15:30 **Coffee**

15:30–16:00 **BSM physics and flavour**

Speaker
David Straub

16:00–16:30 **Beam dump and other intensity physics opportunities**

Speaker
Claudia Frugiuele

16:30
