Blois 2018: 30th Rencontres de Blois on "Particle Physics and Cosmology"

QCD+EW+Top Physics+Heavy Ions

Gaston d'Orléans
Château de Blois, Blois, Loire Valley, France

Thursday 7 June

08:30

QCD+EW+Top Physics+Heavy Ions

Session | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | **Convener:** Bolek Pietrzyk

08:30–09:00

Precision W/Z Physics at Colliders

Speaker

Ilya Kravchenko

09:00–09:30

Diboson Channels and Triple Gauge Coupling (Theory)

Speaker

Massimiliano Grazzini

09:30–10:00

Heavy ion measurements at the LHC

Speaker

Antonin Maire

10:00–10:30

QCD Tests with Jets, Bosons and Top Quarks at the LHC

Speaker

Valentina Cairo

10:30

11:00

QCD+EW+Top Physics+Heavy Ions

Session | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | **Convener:** Heberth Jesus Torres Davila

11:00–11:30

Perturbative QCD

Speaker

Francis Petriello
