

Session Program

25-29 Jan 2010

LHC Performance Workshop - Chamonix 2010

Session 4 - Safety for Personnel Underground - He Evacuation

Chamonix
"Le Majestic"

Tuesday 26 January

17:00

Session 4 - Safety for Personnel Underground - He Evacuation

Session | Location: Chamonix, "Le Majestic"

17:00-17:10

Safety Taskforce follow-up in perspective with 2nd LHC physics run in 2011

Speaker

Ralf Trant

17:15-17:25

Protection of underground areas and He release to surface

Speaker

Sylvain Weisz

17:30-17:50

Safety organization and Safety status of the experiments

Speaker

Olga Beltramello

17:55-18:10

Safety consolidation and improvements in the experiments

Speaker

Christoph Schaefer

18:15-18:35

Work and Safety Organisation during LHC Shut Down.

Speaker

John Pedersen

18:40-18:55

What can the Safety Coordination do for you?

Speaker

John Etheridge

19:00-19:25

How radiation will change your life

Speaker

Doris Forkel-Wirth

19:30-19:50

Modification of the LHC underground ventilation system

Speaker

Mauro Nonis

20:00
