Conference Venue

Padova University has booked for the 8th MeVArc the Venue to hold the Workshop in the period 16-20 September 2019

The Botanical Garden of Padua was founded in 1545 and it is the oldest botanical garden in the world, with its location - an area of about 2.2 hectares-unchanged. Since 1997, it is a UNESCO World Heritage Site.

In October 2014, the new wing of the botanical garden, called the "Garden of Biodiversity", was inaugurated.

It is located in the heart of city center

The technical support is on-site. In case of necessity, we provide with our own technical service.

- Conference hall «Auditorium» has 170 seats capability, + «Sala Colonne» 400 total seats capability
- *Foyer* on the ground floor and *Terrace* on the first floor are spaces that can be used for coffee breaks
- The *garden* in front of the Greenhouses and the Auditorium could be set up to host the *social dinner*
