

# 7th International Workshop on Mechanisms of Vacuum Arcs (MeVArc 2018)

## Monday 21 May 2018

### Overview/Foundational (08:30 - 10:00)

time	[id] title	presenter
08:30	[37] Applications of High-Gradient Accelerators	WUENSCH, Walter
09:00	[39] Review of high voltage breakdown: from multipactor to ionization discharge*	Prof. VERBONCOEUR, J.
09:30	[41] Advancing electrode models for PIC-DSMC simulation of discharge between real electrodes	MOORE, Chris
