

## Diffraction and electromagnetic processes at high energies

	<p>WE-Heraeus Physics School</p> <p>Diffraction and electromagnetic processes at high energies</p> <p>Bad Honnef, August 17–21, 2015</p>	
-----------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

Contribution ID: 5

Type: **not specified**

### Diffraction in the shockwave formalism

*Monday, 17 August 2015 12:00 (20 minutes)*

**Presenter:** BOUSSARIE, Renaud
