

## Diffraction and electromagnetic processes at high energies

	<p>WE-Heraeus Physics School</p> <p>Diffraction and electromagnetic processes at high energies</p> <p>Bad Honnef, August 17–21, 2015</p>	
---	--	---

Contribution ID: 42

Type: **not specified**

### **The new method of accounting of interference contributions for diagrams of inelastic scattering processes**

*Thursday 20 August 2015 15:40 (20 minutes)*

**Presenter:** POTIENKO, Oleksii
