

xRP @ NORDUnet

Lars Fischer
LHCONE meeting
RAL, 7 March 2018

- PRP is
 - Science Engagement
 - Technology
 - Communities
- Can PRP be replicated?
 - Global Reach
 - European Communities?
 - Global Communities?
 - Replication of results in Europe?

- The important part of PRP
 - ... and also the hard part
- NORDUnet + SURFnet
 - Promotion of PRP results w/ science engagement teams
 - Small-scale experiments
 - Candidate science communities?
 - Potential projects & funding sources?

- Nordic / European Training Workshops
 - Partnership w/ CENIC, NSRC, SURFnet
 - 2 day Events for Engineers
 - First run: 16-17 April, Nordic NRENs + SURFnet
- Training setup
 - Flightcase w/ private network, private wifi, 2 x 10G FIONA, 24 x 1G FIONETTE
 - Built for repeated, local events

- Informal outreach
 - Large science infrastructures – HPC centres, large projects w/ dedicate infrastructure
 - Small and medium scale science collaborations - the long tail
 - Pilots w/ long tail researchers
- Involving TF-RED
- Science engagement session at NORDUnet 2018
