

The Sixth Annual Large Hadron Collider Physics Conference (LHCP2018)

Benvenuto

Daily News Tuesday 5th June

Today's Events

16:00 - Poster Session – in the Library, Centro San Domenico

Useful Information

Places are available for accompanying persons to join the conference dinner on Friday evening. The cost is 50 euros.

Please inform and pay at the registration desk before 16:00 today

The participant lists for Wednesday's excursions are displayed on noticeboards in the registration area. Please see the map on the noticeboard for the meeting place – Piazza del Nettuno.

Bologna food:

Bologna is famous for fantastic food. A highly recommended area is very close to the 2 towers in the centre of Bologna. Walk up the high street to the towers and on your left is an ice cream shop. Next door, is a traditional pasta restaurant making homemade pasta and cooking it fresh, while you wait.

Gelato - In Bologna, homemade ice cream is an institution. Many ice cream shops have their own recipes and famous flavours. Enjoy!
