non-local QED corrections in $b \rightarrow sll$

Thursday, June 7, 2018 3:47 PM (17 minutes)

Discussion of the impact of non-local QED corrections on observables of the decay $B_s \rightarrow \mu^+ \mu^-$ and provide an outlook for their impact on other exclusive $b \rightarrow s\mu\mu$ transitions.

Presenter: BOBETH, Christoph (Technical University Munich)

Session Classification: Parallel Heavy Flavour
