

PPC 2018: XII International Conference on Interconnections between Particle Physics and Cosmology

Monday 20 August 2018

Late universe cosmology: I - RAI-G-041 (09:30 - 10:30)

-Conveners: Tomek Kacprzak

time	[id] title	presenter
09:30	[65] An Analytic Approach to Cosmic Structures	BARTELMANN, Matthias
10:00	[66] The Hubble Constant: Implications for Cosmology	SUYU, Sherry

Tuesday 21 August 2018

Late universe cosmology: II - RAI-G-041 (09:00 - 11:00)

-Conveners: Hamsa Padmanabhan

time	[id] title	presenter
09:00	[59] From pixels to physics: the promise of large cosmological surveys	PEIRIS, Hiranya
09:30	[75] Probing the nature of dark matter with astrophysical observations	SCHNEIDER, Aurel
10:00	[76] Dark-energy constraints from forthcoming cluster and galaxy surveys	PORCIANI, Cristiano
10:30	[77] The Landscape of Modified Gravity	HEISENBERG, Lavinia
