## Awards for the winners of the KERAS based Deep Learning Lab

*Saturday 25 May 2019 15:50 (20 minutes)*

The organizers of the KERAS based Deep Learning Lab (Lisa, Mareike and Patrick) have launched a competition among all the participants over the 2 weeks of this Lab.

They have attributed a prize to the 3 best candidates.

The award presentation is in the file Challenge\_Winner.pdf here attached.

The description of the lab, the problem to be solved (top quark tagging) and the rules of the challenge can be found in the file:Lab\_2nd\_week.pdf here attached.

The three best final scores:

1. The Three Stooges, i.e., Oussama Djedidi, James Gooding, Patrick Freeman
2. Celia Fernandez Madrazo and Shreya Kakkenpara Suresh
3. LMF, i.e., Leonidas Fernandes do Prado, Marvin Khun, Fernando Aguilar Gomez

Winners received some excellent quality marzipan coming from Lübeck.

Many thanks and congratulations also to the Lab organizers.
