

FuSuMaTech IP Program

Deliverable 6.3 of WP6

Committee:

Myriam Ayass (CERN)
Han Dols (CERN)
Simon Pittard (TESLA)
Antonio Pellecchia (ASG)

➤ Objective:

- Help project teams to agree on best IP scenario for R&D&I subjects and demonstrators
- Everybody on same knowledge level for best practice in IP dissemination
- Various scenarios available, understood by FuSuMaTech participants

▪ Homework:

- Some limited reading on how IP scenarios typically work in H2020 programs
- Prepare a few minutes clarification addressing the IP experience and approach your organization takes

➤ Logistics:

- Date: 19 & 20 April, 2018
- Location: CERN, IdeaSquare, located in a technical hall (B3179) next to the Globe of Science and Innovation, Meyrin site.
- More info on IdeaSquare: <http://ideasquare.web.cern.ch/>
