

Zimányi School 2017

Monday 4 December 2017

Correlations and collectivity - Bldg 3, Council room (09:00 - 10:35)

-Conveners: Mate Csanad

time	[id] title	presenter
09:00	[1] Opening	LEVAI, Peter
09:05	[2] Origins of azimuthal correlations in high energy nuclear collisions	SCHENKE, Bjoern
09:35	[3] Multi-particle collectivity in small systems from the initial state	MACE, Mark
10:05	[4] Partial correlation analysis in ultra-relativistic nuclear collision	BRONIOWSKI, Wojciech
