

# 2018 EUROPEAN SCHOOL OF HIGH-ENERGY PHYSICS

## Sunday 01 July 2018

### Student Projects (20:30-23:30)

time	[id] title	presenter
20:30	[46] Introduction Outreach & Projects	MULDERS, Martijn
20:40	[39] Group A: MiniBooNE sterile neutrinos	
20:50	[40] Group B: Observation of ttH	
21:00	[41] Group C: Observation of ultra-high energy neutrinos in Icecube	
21:10	[42] Group D: Multi-messenger observation of binary neutron star merger	
21:20	[43] Group E: Recent flavour anomalies	
21:30	[44] Group F: First measurement of the W boson mass at the LHC
