

Flavour in Higgs physics: Theory overview

Monday, 17 September 2018 16:30 (25 minutes)

Presenter: BISHARA, Fady (University of Oxford (GB))

Session Classification: WG6: High-pT flavor physics: H $\rightarrow f\bar{f}$ decays, single top production, direct measurement of V_{td} , V_{ts} , V_{tb} , rare top decays, CPV at high p_T
