

Probing top quark couplings in associated top quark productions ($t\bar{t}V$, tV)

Tuesday 18 September 2018 17:35 (20 minutes)

Presenter: SENGHI SOARES, Mara (Centro de Investigaciones Energéticas Medioambientales y Tecnológicas)

Session Classification: WG6: High-pT flavor physics: $H \rightarrow f\bar{f}$ decays, single top production, direct measurement of V_{td} , V_{ts} , V_{tb} , rare top decays, CPV at high p_T
