

Z' & Contact interactions searches at the LHC: Experiment overview

Wednesday, 19 September 2018 12:35 (25 minutes)

Presenter: DREYER, Etienne (Simon Fraser University (CA))

Session Classification: WG6: High-pT flavor physics: H \rightarrow ff decays, single top production, direct measurement of V_{td} , V_{ts} , V_{tb} , rare top decays, CPV at high p_T
