

**Session Program**

**18-20 Jun 2018**

**Workshop on the physics of HL-LHC, and  
perspectives at HE-LHC**

***Tuesday Plenary session***

CERN, 500/1-001 - Main Auditorium

## Tuesday 19 June

14:00

### Tuesday Plenary session

**Session** | **Location:** CERN, 222/R-001

14:00-14:30

**HL-LHC accelerator aspects: optics studies, operations, MDI****Speaker**

Gianluigi Arduini

14:30-15:00

**Luminosity determination at HL-LHC: a first discussion****Speaker**

Anne Dabrowski (on behalf of all experiments)

15:00-15:40

**Perspectives on the determination of systematic uncertainties at HL-LHC****Speakers**

Meenakshi Narain, Simone Pagan Griso

15:40-16:10

**Updating the European Strategy: the process and the impact****Speaker**

Tatsuya Nakada

16:10
